Accident in Palace Laundry
Results in Cuts and Bruises,
but Not Serious Hurts.

By the breaking down of a revolving wringer at the Palace steam laundry
and ring about 10:30 o'clock three men
and two girls received injuries which
will keep them from working for a few
days, but in none of the cases are the
injuries of a serious nature, and consist
enly of slight bruises and cuts.

Will Gardiner, who, was attending
the wringer at the time of the accident, received the most serious injuries
of the five. He was bruised about
the body, and it was at first thought
that several ribs were broken. He
was also cut on the face in several
places by pleces of dying steel from
the machine. Al. Huber, a washer, living at 7 Fifth avenue, was bruised
about the body and cut on the face
